“YOUTH MINISTRY ON THE FRONT LINE: BLACK YOUTH CALL FOR CHANGE”

Presenter:
**Anne E. Streaty Wimberly, Ph.D., Executive Director, Youth Hope-Builders Academy

The webinar will give pointed answers to the question: What do teens say churches must do to place youth ministry on the front line of congregational life? The hard-hitting advice of youth comes from a national study of 435 teens entitled “Building Bridges of Hope: The Church’s Role in Reaching Disconnected Black Youth,” sponsored by the Youth Hope-Builders Academy (YHBA) of Interdenominational Theological Center (ITC) in Atlanta, Georgia.
